

## 鋼格板的固定

## FIXING METHOD OF GRATING

所有平台走道上的鋼格板必須牢靠地固定在它的規定位置上。焊接方法是最可靠的永久固定方法。

All grating must be firmly fixed in place. Welding panels to the supporting structure provides a superior, permanent installation.

需要活動的鋼格板可以採用安裝夾固定，安裝夾將被供應，但必須在訂貨合約中提出。

Gratings subject to removal can be fastened with saddle clips, those saddle clips can be supply, but must included on order.
